Survey for MATH 152-525,6,7- Dr. Kirschner

(1) Calc 1: where did you have it, when did you have it, and grade you received. Also answer: have you had Calc 152 and failed or dropped?

(2) Have you used Maple before? If yes, what did you think of it, and how important did you find it for class?

(3) Do you use the WEB/email/internet? If yes, how frequently and what types of things do you do? What kind of computer do you use (have access to?)

(4) Write here any other information you would like to share with me about yourself. Note: this is a confidential survey and only I will see the results.
